To The Secretary to the Government of Madras,

Education and Public Health *Department.*

Sir,

I have the honour to address the Government for the continuance of the temporary non-medical staff employed in the Government Medical institutions in the South Kanara District. A statement showing the lists of temporary posts togetner with other particulars necessary for consideration of the proposal is appended herewith. It will be seen from the statistics furnished that the attendance is steadily increasing in the Out-patients' Department and also in the In-Patient Departments. With the increase of the bed strength of the Government Headquarters Hospital, Mangalore, the attendance is bound to rise up. The increase of attendance in the Lady Goschen Hospital, Mangalore justifies the continuance of the temporary staff. Sanction is therefore requested for the permanent retention of the temporary male nursing orderly in the Government Headquarters Hospital, Mangalore, and one female Nursing Orderly and female toti of the Lady Goschen Hospital and also for continuance of the other temporary staff up to 31st March 1943.
